Must be forty or fifty families."</p> <p>This is an old-fashioned adventure tale set on the Oregon Trail, just before the California Gold Rush. It is the story of a wagon train bound for the west, and the conflict which arises due to a love triangle. Indian fights, buffalo hunts, dangerous river crossings and other dangers of the trail add to a gripping and entertaining yarn. (Summary by Lynne Thompson)</p> <p>Total running time: 09:25:48.
